### **First 5 Placer Partner Network Outcome Faire October 19, 2007**

The First 5 Partner Network Outcome Faire educates other agencies and the general community about each First 5 partner's services for children prenatal through 5 and their families. First 5 – Placer has held an annual Outcome Faire for six years. The idea behind an "Outcome Faire" is to provide an interactive "real time" opportunity for the community to:

- See and understand exactly how Proposition 10 funds are used in Placer County;
- Provide an opportunity for the First 5 Partner Network to connect with each other, make new connections and/or recharge existing ones;
- Provide a safe, fun environment for families of children prenatal to 5 to interact with each other and learn about the resources that are available for them through the partnerships funded by First 5 – Placer.

Each First 5 partner will have a display with information about the services they provide and the outcomes they are achieving. The displays are located in "center court" of the Galleria at Roseville.

**October 19, 2007 – 10:00AM to 2:00PM
